Allergies We use allergens in our kitchen as part of the preparation of food. We also cook different foods in the same equipment. Please advise us of any allergies on every visit to our restaurants as our recipes are subject to change and we occasionally substitute products. Full allergen information from items on our menu is available upon request. Should you require more detailed information related to any 'may contain' or the cooking process, please discuss with your Server. To the best of our knowledge, the foods on our menus do not contain genetically modified soya or maize.

Our aim is to provide first class service. In this restaurant gratuities are entirely at your discretion, all monies go direct to the server. As usual, we welcome your comments and observations. Thank you.
Ⓢ No meat or fish. Some of our meat/fish may contain bones.

If, at any time, a particular wine or year is not available, we reserve the right to offer you the nearest alternative. All quality wines on this list have an alcohol content of between 9% and 15% by volume. All wines by the glass are also available as a 125ml measure.
